

Hello All Storm Competitive Families,

As we prepare for the 2018/19 season and all the changes that come with merging with the Colorado Rapids Youth Soccer Club, we want to make sure that everyone has all the information on the new tryout registration process. We will be adopting the Rapids Intent to Play model and registration steps.

### **What is an Intent to Play?**

An Intent to Play is a pre-registration process. All Intent to Play registrations must be completed **before** the scheduled registration deadline of May 20, 2018. With the Intent to Play registration process, families are only asked to register once.

The offer emails will explain the follow information:

1. Team placement
2. Team fee for the entire season
3. Necessary documents for administrative staff
4. Potential Team Orientation dates
5. How to accept or reject the spot offered

By accepting the spot, you & your player are agreeing to all procedures, policies, commitment level and financial obligations of the team. Please [click here](#) to view club procedures and policies. After accepting, you will be asked to set up payment, either by paying in full or setting up a payment plan. Your Member Account will walk you through those steps.

An Invite Code to the team Team Connect will also be sent to all email addresses associated with the player's account. Team Connect will be the new communication platform for the club and a parent guide will be sent out at a later time.

Please follow the steps below to create your Blue Star Member Account and register your Intent to Play:

1. Blue Star
  - a. [Rapids South](#)
  - b. [Rapids North](#)
  - c. [Rapids Fort Collins](#)
  - d. [Rapids Castle Rock](#)
2. Click Register Now
3. Click the appropriate registration page for your players gender and group
4. Click "Create a New Account" and enter your email and desired password
5. Enter the Parent/Guardian 1 information FIRST
6. On the My Member Account Page click "Add a Family Member" on the left and then add your player as a child
7. Enter the player's information and save
8. On your My Member Account page click "Register Now"
9. Choose the appropriate registration page for your players gender and group
10. Follow all registration steps until you reach the Complete page

**\*\*If you have already registered on the Storm website, we will manually transfer all your registration information into the new system and create your Blue Star Member Account. Your email address will be your username for your Blue Star Member Account. After we have created**

all the accounts, please use the link above, enter your email address and then hit forgot password to gain access to your account.\*\*
