

Colorado Storm Scrips Gift Cards

Hi all,

Colorado Storm is introducing Scrips through Great Lakes Scrip Center. Scrip is just another way to pay for everyday purchases using gift cards in place of cash, checks and credit cards.

Scrips has gift cards from many different retailers and these retailers give a rebate percentage back to Colorado Storm and they pass a portion of the rebate onto your player.

There are three ways to get Scrips gift cards:

1. Plastic Cards, which are ordered and delivered
2. Reloadable Cards, which you have to purchase the initial card from Scrips
3. Scripnow, this is where you print off a gift card at home.

It is easy to enroll! Simply visit Shopwithscrip.com and follow the simple steps to set up your new account. Our enrollment code is 9ACL1EFF3639L. Also enroll in Prestopay, which is the way the gift cards are paid for.

Once your enrollment is complete please email me with your player's information, name and team that they are on. Scrips will send you a 4 digit code when you enroll in prestopay, you will need to send that to me so I can activate your account.

If you have any questions please let me know. You can reach me at patty@coloradostorm.com or 303-617-1264.

Thank you.

Patty George
